

SUCCEED Program Satisfaction Survey

Help us improve programming for other New Brunswick workers affected by a traumatic psychological injury (TPI) by taking a few moments to complete this confidential survey. This survey is for **improving service delivery only**. Your responses will not be shared with your SUCCEED treatment provider or WorkSafeNB case manager. Your privacy remains of utmost importance. We value and appreciate your honesty.

| | Strongly disagree | Disagree | Neither agree nor disagree | Agree | Strongly agree |
|--|-------------------|----------|----------------------------|-------|----------------|
| 1. The overall quality of the SUCCEED program is very good. | 0 | 1 | 2 | 3 | 4 |
| 2. I am satisfied with the quality of the care I received from my SUCCEED therapist. | 0 | 1 | 2 | 3 | 4 |
| 3. I had confidence in my SUCCEED therapist's ability to help me. | 0 | 1 | 2 | 3 | 4 |
| 4. The SUCCEED program helped me maintain/resume my activities at home and support my relationships with others. | 0 | 1 | 2 | 3 | 4 |
| 5. The SUCCEED program helped me feel more confident in my ability to remain at work or to return to work. | 0 | 1 | 2 | 3 | 4 |
