

# PHYSIOTHERAPIST

(temporary part-time)

*Written and spoken competence in English is required*

WorkSafeNB is now accepting applications for a temporary part-time position of physiotherapist in Work Recovery. This position is located in Grand Bay-Westfield, New Brunswick.

Reporting to the manager of Work Recovery, the physiotherapist will provide physical treatment to maximize function in assisting a client's return to work. The candidate will assess physical limitations to help develop a treatment plan and provide progressive physiotherapy treatment using exercise, physical modalities, and manual techniques. The candidate will be a member of the Work Recovery team, which delivers interdisciplinary treatment. In addition, the candidate will participate in program activities such as: quality assurance; risk management; usage review; health and safety and infection control; and maintaining accurate and timely treatment reports following program guidelines and management directives.

The successful candidate must have a Bachelor's or Master's degree in Physiotherapy from a recognized university or the equivalent, and membership (or eligibility for membership) in both the Canadian Physiotherapy Association and the New Brunswick Association of Physiotherapists. The candidate must have experience with MS Office products, particularly Word.

WorkSafeNB offers a competitive salary, starting at \$1,097.84 bi-weekly.
