

Hello Kids!

It's me... Stella the Safety Skunk! I just spent the last week reading all the wonderful storybooks that were sent to me, and I am so amazed by your hard work. New Brunswick's K-2 students are so creative and smart!

It wasn't easy, but I did choose three lucky winners. The teachers will be contacted shortly to setup a classroom visit and a pizza party! However, because you are all winners to me, I have decided to send all of you a T-shirt and certificate. I hope you like them!

**Here are the top three winners:**

First prize: **"Do Your Friends Stink?"** written and illustrated by Mrs. Spurrell's Grade 1 class from Lakewood Heights School in Saint John, NB.

Second prize: **"Stella's Friends Learn About Safety"** written and illustrated by Moriah Hennessey, Grade 2 student in Mrs. Read's class from Claude D. Taylor School in Riverview, NB.

Third prize: **"What We've Learned With Stella!"** written and illustrated by Mrs. Johnston's kindergarten class from McAdam Elementary in McAdam, NB.

Remember to stay safe...because getting hurt really stinks!

Your Friend,

Stella
