

MyServices makes it easy for you to work with us, giving you convenient online access to the services you need most.

Top 4 reasons to register for MyServices

1

File your *Form 100 – Employer Payroll Report*. Save time this year and next when some information fields are already populated.

View your account balances, annual rate and assessment notices anytime.

3

Monitor claims and their costs in real time. Download the information in Excel format so you can identify injury trends and costs to manage and improve your prevention and return-to-work programs.

Use MyServices secure email to communicate with WorkSafeNB.

Did you know?

- You can also fast file your *Form 100* using the access PIN on your *Form 100*.
- You can also now use your Canadian Revenue Agency business number to identify yourself when doing business with WorkSafeNB.
