

HEALTH AND SAFETY AT WORK: YOUR RIGHTS

Student Worksheet

RIGHT TO KNOW

Activity 1: Hazard Identification

Can you find four hazards in this workplace?

Complete the hazard assessment table found below the picture.

Photo reprinted with the permission of *WorkSafe Magazine*, WorkSafeBC

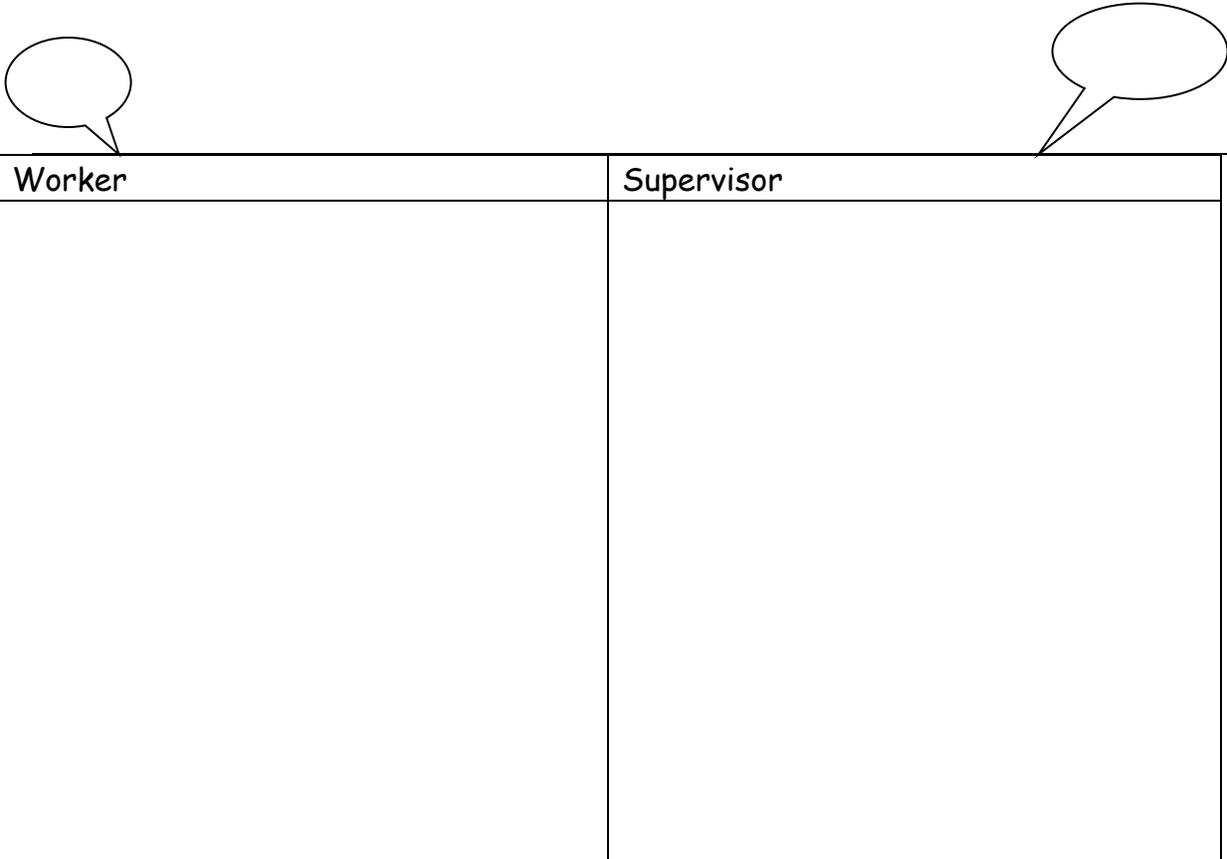

Hazard assessment table

| Hazard | What could happen? | How could it be corrected? |
|--------|--------------------|----------------------------|
| | | |
| | | |
| | | |
| | | |

RIGHT TO PARTICIPATE

Activity 2: Participation Practice

Role play a conversation between a worker and a supervisor, where the worker is participating in their workplace safety.

| Worker | Supervisor |
|--------|------------|
| | |

RIGHT TO REFUSE

Activity 3: Saying “No”

Design a poster to help workers know when to exercise their right to refuse.
Make your poster bright and bold and eye-catching!
