

Young Worker Health and Safety Leadership Program

Student Application Form

Please note, two students must fill out this form to be considered eligible as a “team entry.”

There must be two successful applicants for the program to be run at your school.

WorkSafeNB is seeking high school students (two per school) to become Health and Safety Leaders. Upon successful completion of the program, each student will be awarded \$500 (\$1,000 per team).

Successful Program Completion (what’s expected):

1. **Attend a one-day mandatory orientation and training session** (in the Greater Moncton area; location to be determined) on **Friday, March 17, 2023** (lunch and snacks will be provided and mileage will be paid). Upon selection, successful Leadership students will receive more details about Orientation Day.
2. Find a teacher who will be your team’s sponsor. The teacher is not required to attend the orientation – their role is to support your team and to be a school contact for WorkSafeNB.
3. Work as a leadership team at your school to **organize four events**, spaced out between March and May. These events/activities will help to raise awareness among other students about workplace health and safety.
4. Work under the guidance of WorkSafeNB’s Health and Safety Specialist **to promote workplace health and safety, and your events.**
5. Document events/activities and produce a **year-end summary** of your events.
6. Attend a closing event (lunch) where you will receive your certificate and cheque for \$500.

An eligible applicant:

- Is in Grade 11 or 12
- Is good at connecting with other students and coordinating with school staff
- Is interested in learning, and helping others to learn, about how to stay safe at work

If you have any questions about the Young Worker Health and Safety Leadership Program or application process, please contact Jessica MacDonald by email (jessica.macdonald@ws-ts.nb.ca) or phone/text (506-850-0346).

Please submit your completed application form to jessica.macdonald@ws-ts.nb.ca by February 24, 2023.

When completing the form, remember to:

- (1) Rename and save the pdf to your hard drive; (2) save this file (as you complete it); and (3) attach new pdf application to the email**

Submit completed form to:
