

# Take Our Kids to Work™

On Nov. 6, Grade 9 students across New Brunswick will take part in **Take Our Kids to Work™** day.

As many young people prepare to enter the workforce, this day is an opportunity to kick-start the safety conversation.

Together, let's prioritize young workers and the important role they have in making New Brunswick the safest place to work.

## WAYS TO PREPARE FOR THE DAY:

### Students

- Ask your host about safety precautions before you go to the workplace.
- Ask if you need any personal protective equipment (PPE).
- Follow all company safety rules.
- Ask your host how they stay safe daily.
- Ask questions.
- Talk about your experience at *Take Our Kids to Work™* day with friends and family.

### Parents/Guardians

- Talk to your children about workplace safety before *Take Our Kids to Work™* day. Ensure they know the possible hazards.
- Demonstrate safety practices while on the job.
- Supervise students closely during the day. Address unsafe behaviours immediately.
- Ask students if they have any safety concerns.
- Be a safety leader! Keep workplace health and safety an ongoing conversation at home.

The Students Commission of Canada is offering virtual career exploration opportunities for students across the country, providing a great chance for those who don't have a physical workplace to visit to still participate. This year's theme, *Breaking Barriers*, Transforming Communities, aims to equip the next generation to explore careers, break barriers, and make a difference—all from the comfort of their homes!

*Take Our Kids to Work™* is a program of The Students Commission of Canada 2024.
