

Take Our Kids to Work™

On the first Wednesday in November, Grade 9 students across New Brunswick will take part in Take Our Kids to Work™ day.

As many young people prepare to enter the workforce, this day is an opportunity to kick-start the safety conversation.

Together, let's prioritize young workers and the important role they have in making New Brunswick the safest place to work.

WAYS TO PREPARE FOR THE DAY:

Students

- Ask your host about safety precautions before you go to the workplace.
- Ask if you need any personal protective equipment (PPE).
- Follow all company safety rules.
- Ask your host how they stay safe daily.
- Ask questions.
- Talk about your experience at *Take Our Kids to Work™* day with friends and family.

Parents/Guardians

- Talk to your children about workplace safety before *Take Our Kids to Work™* day. Ensure they know the possible hazards.
- Demonstrate safety practices while on the job.
- Supervise students closely during the day. Address unsafe behaviours immediately.
- Ask students if they have any safety concerns.
- Be a safety leader! Keep workplace health and safety an ongoing conversation at home.
